→ Free & Paid resources to learn K8s (Kubernetes)

Free:

(These are all clickable links.)

- [Intro + Understanding](#)
- [For beginner to intermediate level understanding](#)

Paid (Udemy)

[Udemy courses are less than 500 rupees, if you see higher price wait for it to drop.

(Discounts are given every month)]

- [Beginner to. Intermediate](#)
- [Docker+ Kubernetes understanding](#)

→ Certificate and prep

[Ye exam free nhi h, 2 attempts milte h clear karne ko and you have to pay 30-40k. So only give this exam if you are confident about your skills.]
